

# **Transit Access Survey Questionnaire**

*Holistically rating pedestrian connectivity in the transit station polygon vicinity*

CPHS #2025-02-18327

***If you agree to take part in the research, please check this box. ☐***

Please complete the following questions to the best of your ability. ***All questions are optional***, though I encourage you to answer as many as you feel comfortable. You may decline to answer any questions and are free to stop participating at any time. Doing so will not affect your eligibility for the drawing.

## **Section 1: Trip Characteristics**

1. How often do you typically ride rail transit (MUNI Metro and streetcars, VTA light rail, BART, Caltrain, ACE, Amtrak Capitol Corridor, etc.)? **(circle one)**
  - a. At least once a day
  - b. At least once a week
  - c. At least once a month
  - d. At least once a year
  - e. Never
2. What is the typical purpose of your rail transit trips? **(circle all that apply)**
  - a. Commute to employment or school
  - b. Shopping
  - c. Visiting friends or family
  - d. Recreation or tourism
  - e. Other (fill in the blank): \_\_\_\_\_
3. How do you typically access rail transit? **(circle all that apply)**
  - a. Walk
  - b. Bicycle/scooter/skateboard
  - c. Electric bicycle/scooter/skateboard
  - d. Other transit (bus, ferry, flexible transit/paratransit, etc).
  - e. Carpool
  - f. Ride-hailing or ride-sharing (taxi, Uber, Lyft, Waymo, etc.)
  - g. Drive alone
4. Do you have a condition that affects your mobility?
  - a. Yes
  - b. No
  - c. Prefer not to answer

***Survey continues on the back of the page***

## **Section 2: Perceived Safety**

***How important are the following attributes of your surroundings to your sense of safety on the way to a rail transit station?*** Imagine your typical route to your local rail transit station. Please assign a score from 1 to 10 (lowest to highest importance) to each of the attributes below. ***You may give the same score to multiple attributes.***

- |  |   |   |   |   |   |   |   |                   |    |
|--|---|---|---|---|---|---|---|-------------------|----|
| 1. Travel distance (from your origin to the rail transit station)                                  |   |   |   |   |   |   |   |                   |    |
| (Low importance)   |   |   |   |   |   |   |   | (High importance) |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 2. Sidewalk width  |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 3. Crosswalk length  |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 4. Signalization of intersections (traffic lights, etc.)   |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 5. Speed limit of parallel and intersecting roads  |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 6. Quality of lighting   |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 7. Disability-inclusive design features (tactile markings, curb ramps, handrails, elevators, etc.) |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 8. Type of surrounding land use or development (vacant, parking, houses, shopping, offices, etc.)  |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 9. Neighborhood and station cleanliness  |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 10. Presence of vegetation or landscaping  |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |
|  |   |   |   |   |   |   |   |                   |    |
| 11. Presence of other pedestrians  |   |   |   |   |   |   |   |                   |    |
| 1  | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9                 | 10 |

## **Incentive for Completion – \$50 gift card!**

Thanks for completing this survey! If you'd like to ***enter to win a \$50 gift card*** to a store of your choosing as a reward, ***please let me know when you return this questionnaire.*** I will provide a separate sheet to write your email address on. This information will be securely protected and stored separately from your survey responses to preserve the anonymity of your data. Entering the drawing is optional and will not affect your survey responses.
